Two-year plan for AFA in Music

College

The program is a two-year plan for students who wish to earn a Bachelor of Music degree. The program is designed to provide students with a strong foundation in music theory, history, and performance. Students will complete a total of 120 credit hours, including 48 credit hours of general education, 36 credit hours of music major requirements, and 36 credit hours of elective courses. The program is designed to be completed in two years, with students taking 24 credit hours per semester.

Students must meet first-semester course prerequisites. The program is designed to be completed in two years, with students taking 24 credit hours per semester.
