

Program Description:

The Welding Technology curriculum combines not only advanced welding skills but related technical courses designed to prepare students for employment as welders, welder-fitters, specialist welders, or ultimately, welding supervisors, analysts, inspectors, and welding technicians. The American Welding Society standards are stressed.

Admission Requirements:

There are no specific admission requirements for this program. Welding coursework requires reading and a level of math proficiency. Certain general education coursework requires specific measures for placement. See www.jeffco.edu/future-students/admissions/math-english-placement or consult an advisor for more information.

Department Faculty Advisors: Joe Candela

Associate Dean: Maryanne Angliongto _____
