Complete the following table.<sup>1</sup>

Emergency Financial Aid Grants Awarded to Students this quarter: report only disbursements related to Emergency Financial Aid Grants including using those grants to satisfy outstanding accounts. Any disbursements unrelated to Emergency Financial Aid Grants should not be included in the reported expenditures				
		Total students	Undergraduates <sup>2</sup>	Graduates
Number of HEERF Student Recipients – Emergency Grants to Students	How many students received HEERF emergency financial aid grants using (a)(1) Student Aid Portion?	0	0	0

<sup>1</sup> For the initial report and each report thereafter, institutions should use data suppression or other statistical methodologies to protect the personally identifiable information from student education records consistent with the Family Educational Rights and Privacy Act (20 U.S.C. 1232g; 34 CFR part 99) and any applicable state laws. For this report when the total number of students who received HEERF emergency financial aid grants as undergraduates, graduates, or in total is less than 10, but not 0, then the institution should display the total number of students as less than 10 (“<10”) on the publicly available websites controlled by the institution. Additionally, IHEs should use complementary suppression to protect values that could be inferred otherwise. For example, if the total student count is equal to 25, the undergraduate amount is equal to 20, and the graduate amount equal to 5, IHEs should report both the undergraduate and graduate amount as ‘-’. The total student count can remain displayed as is.

<sup>2</sup> For students in both undergraduate and graduate categories, classify as a graduate student.
