### Course Description:

This This 8-hour program is designed to enhance awareness for all levels of law enforcement personnel by discussion of specific techniques, tactics, and task management. Critical incidents at schools are complex, dynamic, stressful, and difficult investigations. First responders and investigators play critical roles in the response, threat assessment and neutralization, resolution, and documentation of these events. Adherence to national standards is paramount to withstand scrutiny and review of all actions taken prior to, during, and post event. Following validated protocols and resource integration, successful conclusions will be achieved.
