Retroactive Credit for Foreign Language and Math

Retroactive Credit in Foreign Language may be earned if a student has had two or more years of high school French, German, or Spanish. A student who completes Intermediate French, German, or Spanish with a grade of "C" or better as his/her first foreign language course will be eligible to receive five hours retroactive credit for the course bypassed (Beginning French, German, or Spanish). After successful completion of Intermediate French, German, or Spanish, a student should speak with his/her instructor about the application for retroactive credit. The posting fee, equivalent to one credit hour, is payable at the Cashier's Office, or at the offices at Jefferson College Arnold or Jefferson College Imperial, before entering the course on the student's official transcript. No grades are assigned for retroactive credit, but such credit is counted toward graduation requirements on the same basis as credits earned in the classroom.

Retroactive Credit for Math is available for those students who complete Calculus for Business and Social Sciences, Probability and Statistics, Calculus I, or Business Statistics with a "C" or better and wish to also receive three credit hours of retroactive College Algebra. Student who qualify for retroactive math credit should speak with his/her instructor upon successful completion of the higher level course. The posting fee, equivalent to one credit hour, is payable at the Cashier's Office, or at the offices at Jefferson College Arnold or Jefferson College Imperial, before entering the course on the student's official transcript. No grades are assigned for retroactive credit, but such credit is counted toward graduation requirements on the same basis as credits earned in the classroom.
